

# Ulysses M2S

## SIRE'S BLOODLINES

- EKSTEIN was ranked by the WBFSh as the world's 38th best sire of international showjumpers. His most famous progeny are Joel, King, Kasmir, and L'Unique. His progeny have won 5 medals in European YR and JR Championships. His grandson Hickstead represented Canada at the 2006 WEG.
- ZION produced 4 approved sons in only two breeding seasons.
- LUCKY BOY xx sired 15 international jumpers including Olympic Team Gold winners The Freak and Calypso.
- PALATINA was the only KWPN mare never beaten in hand or under saddle, winning 3 consecutive national titles.
- ZANIKI was a *Ster Preferent Prestatie* mare and a full-sister to the international showjumper and approved sire Palfrenier. Zaniki's progeny include Ekstein, Champion of the KWPN Stallion Performance Test & Champion 7-Year-Old Stallion; Fury, competed by Emile Hendrix and sold to Japan; Giniki, a *Keur* showjumping mare Miss Niki; Heartdancer, an international showjumper; Joniki, 1996 National 5-Year-Old Showjumping Champion, awarded "Ster-Sport-Showjumping" predicate, jumped internationally, and was sold to Mexico; Lajos, 1998 National 5-Year-Old Showjumping Champion, won the Hengelo Grand Prix, jumped internationally; Orphaniki, awarded the "Sport-Showjumping" predicate.
- JOOST is the famous Holsteiner stallion by CONSUL who produced many international jumpers.
- ANIKI, half-sister to Apollo (twice winner of Aachen Grand Prix, Individual Bronze Medalist at the World Championship, Individual Bronze Medalist at the European Championship, and twice Team Gold Medalist at the European Championship), is dam of the international jumper and approved sire Palfrenier (sire of at least 6 international jumpers). Aniki's daughters and granddaughters produced the sires Ekstein, Consul & Equador, the international jumpers Nebraska, Promise Me & Galveston, and the international dressage horses Consul, Hercules, Felliki, and Fellini.

## DAM'S BLOODLINES

- GUDRUN was a *Keur Prestatie* mare with a breeding index of 142. She produced 2 *Ster* mares and 4 showjumpers. Her son President, owned by Princess Haya, 2001 Italy Stallion Test winner; approved by UNIRE; 4-Year-Old Belgium Champion; declared *Elite*; approved by sBs. Gudrun's *Keur* daughter Kretienne was KWPN Champion Mare, ranked 19th best mare in the KWPN; dam of SF approved stallion Taloubet du Rouet Pleville. Gudrun's daughter Cruisly jumps internationally; she earned the KWPN *Sport-Showjumping* predicate.
- VOLTAIRE was one of history's greatest sires of showjumpers.
- ADRIANA is a *Preferent* mare. She produced the *Ster* mare Deborah, the 3rd dam of the Vice-Champion of the 2004 Sella Italiano Stallion Performance Test, Temptation van Herikhave, and 2nd dam of the 2004 6-Year-Old Belgian Showjumping Champion, Ringo. Adriana also produced the *Keur Preferent Prestatie* mare Evident, who competed in dressage and is the dam of the Danish Warmblood approved stallion Mercurius. Adriana is also dam of the stallion Fontaine 861, approved by the Swedish Studbook.
